5	Inclusive Selling Price 1-10	Numeric	10 separate fields of 9.4 maximum	N-W
6	Inclusive Special Price	Numeric	9.4 maximum	X
7	Exclusive Future Price 1-10	Numeric	10 separate fields of 9.4 maximum	Y-AH
8	Inclusive Future Price 1-10	Numeric	10 separate fields of 9.4 maximum	AI-AR
9	Special Price Applies From	Character	DD/MM/YYYY	AS
10	Special Price Applies Until	Character	DD/MM/YYYY	AT
11	Store	Character	3 characters maximum	AU

The layout for Pastel Xpress is as follows:

Ref.	Field	Type	Format	Excel Ref.
1	Inventory Code	Character	15 characters maximum	A
2	Inventory Description	Character	40 characters maximum	B
3	Exclusive Selling Price 1-3	Numeric	3 separate fields of 9.4 maximum	C-E
4	Inclusive Selling Price 1-3	Numeric	3 separate fields of 9.4 maximum	F-H

Note that exclusive prices are stronger than inclusive prices. In other words, if both are present in the file, the system uses the exclusive price.
